PURCHASE PROCESS

BECOME A HOMEOWNER IN 9 EASY STEPS

How much do I qualify for?

Monthly repayment amount < 30% of combined gross income

To qualify for a home loan, the bank's lending criteria dictates that the monthly repayment amount may not exceed 30% of your combined gross income.

Banks should approve your loan if:

- ✓ Your income and employment are consistent and can be verified.
- ✓ Your income is sufficient to cover your current expenses plus the new home loan repayment.
- ✓ Your credit record is clean and it shows that you conduct your finances well.

We can help with your application

With our in-house bond originator, EUF, we make your home loan application process as easy as possible. It's a free service to you where you simply correspond with one person who liaises with the banks on your behalf. All home loan applications are exclusively facilitated by EUF.

Central Developments makes investment easy. The rental demand in Centurion is very high and Amberfield City is a popular suburb. In addition to the high rental demand, excellent capital growth is likely due to the development's prime location in a desirable and growing area.
